

<p style="text-align: center;">Iovitzu 85, multumire pentru vorbitorii la sesiunea mea aniversara</p> <p>Domnule Presedinte al Academiei Romane, Distins Coleg si vechi prieten Valentin, Dragi Colegi care m-ati prezentat atat de frumos, Distinsa audienta,</p> <p>Va multumesc din toata inima pentru marea onoare pe care mi-o faceti astazi.</p> <p>Datorita distinsului profesor Leonida Gherasim si doamnei professor Doina Dimulescu, pompa din pieptul meu inca mai bate, iar prin distinsul Profesor Ioanel Sinescu, inarmat cu laser, parca Domnul Inusii a hotarit: NU INCA! Si iata sunt in viata, RESPIR, MERG, GANDESC... pe scurt, SUNT FERICIT! Si astfel am ajuns acum, aici, sub Cupola Spirituala cea mai inalta a Tarii, in fata Domniilor Voastre, sa Va multumesc pentru acest moment inaltator din viata mea.</p> <p>Folosesc aceasta OCAZIE UNICA sa multumesc din nou colaboratorilor mei fizicieni, si in mod special regretatei mele sotii Denisa si profesorului American, Carl B. Collins iar, pe ultima turnanta a vietii mele, profesorului German Gabriel Altmann pentru Lingvistica si profesorului Olandez Egbert Duursma pentru Cosmologie.</p> <p>In fine, dar nu in cele din urma, aduc un pios omagiu mentorilor tineretii mele, Academicienilor Eugen Badarau si Radu Grigorovici.</p> <p>La Revedere, poate peste inca 5 ani, cu Voia Domnului!</p> <p>Va multumesc pentru atentie.</p> <p>Iovitzu 6 Octombrie 2017</p>	<p style="text-align: center;">Iovitzu 85, thanks for the speakers at my anniversary session</p> <p>Mr. President of the Romanian Academy, Distinguished Colleague and old friend Valentin, Dear Colleagues who introduced me so beautifully, Distinguished audience</p> <p>Thank you wholeheartedly for the great honor you are doing to me today.</p> <p>Thanks to the distinguished Professor Leonida Gherasim and Professor Doina Dimulescu, the pump in my chest is still beating, and by the distinguished Professor Ioanel Sinescu, armed with laser, it seems that the Lord Himself has decided: NOT YET! And here I am alive, BREATH, WALK, THINK... in short, I AM HAPPY!</p> <p>And so I am now, here under the High Spiritual Cupola of the Land, to thank you for this soul-uplifting moment in my life.</p> <p>I use this UNIQUE OPPORTUNITY again to thank my coworkers physicists and especially my regretted wife Denisa and American professor Carl B. Collins and, on the last turn of my life, German Professor Gabriel Altmann for Linguistics and Dutch Professor Egbert Duursma for Cosmology .</p> <p>Finally, but not in the end, I bring a pious tribute to the mentors of my youth, Academicians Eugen Badarau and Radu Grigorovici.</p> <p>Goodbye, maybe in another 5 years, with God's Will! Thank you for your attention.</p> <p>Iovitzu 6 October 2017</p>
